

Transferable Limited 50 Year Warranty Pre-Finished Grayne

Basic Warranty Coverage:

The Tapco Group (TTG), a Headwaters company, warrants to the original owner of a structure on which its GRAYNE™ Engineered Shake & Shingle ("GRAYNE") products (the "products") are installed, that the products will be free from manufacturing defects that result in peeling, flaking, corrosion, or rot subject to the terms and conditions below. If TTG determines, in its sole discretion, that any manufacturing defects exist in the products during the 50 years following the product purchase date, TTG will, at its sole discretion, either a) replace the defective products; or, b) refund the amount paid by the original owner for the defective products, subject to the pro-ration schedule below. For the first five (5) years after the product purchase date, TTG shall also pay the cost of labor to complete the repair up to \$125/square .

Additional Limited Color Fade Coverage:

Pre-Finished GRAYNE is comprised of a weatherable material and is warranted against excessive fading. It is expected that the surface of GRAYNE will fade and wear gradually and evenly like a typical painted product. This is a normal process and is not considered a defect.

TTG warrants to the original owner that, for the first ten (10) years, GRAYNE will fade gradually and evenly across each directional exposure (i.e. North, South, East, and West). If, at its sole discretion, TTG determines that the product has not faded gradually and evenly, then TTG, at its sole option, will replace, repair, or recoat the affected product to the extent reasonably necessary to restore an aesthetically acceptable appearance. After the tenth anniversary of the product purchase date, the Owner may paint the product if desired. If the Owner paints the product prior to ten (10) years, TTG will not be responsible for any product fading.

Additional Limited Hail Coverage:

In the event of damage caused by hail during the warranty period, before any warranty coverage shall apply, it is the original owner's responsibility to pursue the cost of replacement or repair of damaged products through the original owner's insurance or any other applicable insurance.

Costs incurred by the original owner in excess of insurance proceeds will be reimbursed by TTG (excluding any insurance deductible) except that TTG will not be liable for costs in excess of the value of the replacement products required to complete the repair subject to the proration schedule below.

Transferability:

This warranty may be transferred by the original owner prior to the fifth anniversary of the product purchase date. To transfer rights under this warranty, the transferee must send to TTG reasonable documentation of: 1) Proof of the date of purchase of the products; and 2) Proof of the transfer of ownership of the property to the transferee from the original owner prior to the fifth anniversary of the product purchase date. These items must be received by TTG within 60 days of the date the transferee receives ownership of the property.

¹This warranty is effective May 1, 2016. It supersedes all previous versions of this warranty, and shall remain in effect until TTG publishes a subsequent version after which it shall have no further effect.

The term "original owner" shall include only the property owner at the time the products are installed and any person who becomes an owner of the property within one year of the date such products are purchased for installation.

A "square" as used in the industry is a 100 square foot section of material.

TTG will have no liability for any personal injury or property damage arising from hail damaged products.

Limitation of Remedies:

THIS DOCUMENT CONSTITUTES THE EXCLUSIVE WARRANTIES AND REMEDIES PROVIDED BY TTG. THIS WARRANTY REPLACES ALL OTHER ORAL OR WRITTEN WARRANTIES, LIABILITIES OR OBLIGATIONS OF TTG. TTG HEREBY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL TTG BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES OF ANY KIND, INCLUDING ANY DAMAGE TO THE BUILDING, ITS CONTENTS OR ANY PERSONS THEREIN, RESULTING FROM THE BREACH OF THE WARRANTY. TTG DOES NOT AUTHORIZE ITS FIELD REPRESENTATIVES, DISTRIBUTORS OR DEALERS TO MAKE ANY CHANGE OR MODIFICATION TO THIS WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON, OR THE EXCLUSION OF, INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU. IN NO EVENT SHALL TTG'S TOTAL LIABILITY ARISING OUT OF OR RELATED TO THE PRODUCT(S) OR THIS WARRANTY EXCEED THE ORIGINAL PURCHASE PRICE OF THE PRODUCTS AND THE LABOR COSTS RELATING TO THE ORIGINAL INSTALLATION OF SUCH PRODUCTS.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. TTG reserves the right to discontinue any color at any time.

Making a Claim:

To TTG's reasonable satisfaction, all warranty claimants must satisfy the following:

- Provide documentation of proof of purchase of the products including the date purchased and amount paid;
- Provide a deed or other equivalent document establishing their ownership of the property; and
- Provide documentation of the original amount paid for installation. In the event of a claim for installation labor.
- The warranty claimant must notify TTG within 30 days of discovering the basis for a claim under this warranty in writing by electronic submission to www.GRAYNE.com

Customer Responsibilities:

GRAYNE products may be registered on-line at: www.GRAYNE.com. Online registration does not eliminate the other requirements listed in this warranty to file a claim, however. Once all requirements for filing a claim have been met by the original owner, TTG will investigate the claim and examine the material claimed to be defective. If a defect covered by this warranty is confirmed, TTG, within a reasonable amount of time after the inspection, will satisfy its obligations under this warranty. TTG must be allowed a reasonable opportunity to determine and fulfill its obligations under this warranty before the warranty claimant or others make any repairs. The warranty claimant's failure to abide by the terms of this provision shall void any responsibility of TTG to pay for products purchased by and repairs or other work done by third parties.

Collection of dirt and/or other organic materials is possible. Foreign materials on the surface should be removed by periodic cleaning. Such cleaning can be done with water and a soft bristle brush. Stubborn stains may be treated, at the original owner's sole risk, with third party cleaning products.
